## News for the week

### Table Mountain

We had a fantastic Mountain challenge with everyone reaching the summit of Table Mountain. A huge thank you to everyone who donated or raised money around the challenge as we have raised an incredible £1448 so far from the day for CLIC Sargent. We have managed to raise this year well over £4,000 to help children and their families deal difficult childhood illnesses – simply awesome and very moving. We are looking forward to Reception, Year 1 and Year 2's challenge to walk to Woodchester Mansion on 24th June. (Photos over page).

### Awards night

Tonight is our Arts and Sports Award Evening for Keystage 2. It is a special event where children can share their talents and receive acknowledgement for their involvement in the arts and sports activities this year. It is a fun atmosphere supported by the PTFA who will be running a bar and refreshments throughout the evening. You don't need an invite or a ticket, just come along.

### New parents

We are welcoming new parents tomorrow evening of those children who are starting Reception class in September. The children have already started visiting the Reception class and have enjoyed exploring their new surroundings.

## Reading

We have created a new READING value badge for children to add to their collection of badges. This value badge is slightly different as it not based on a nomination but based on children's reading perseverance and enjoyment. For the children to gain their reading badge, their reading record needs to be in on a Thursday mornings. It must be signed by an adult and with the amount of time read recorded. The children will be presented with their certificate for that week's achievement in a Friday morning worship. When a child has received the platinum level three times they will receive a reading badge in our Friday celebration assembly.

As a special treat, the class teacher will nominate a top reader based on perseverance, progress and or utter enthusiasm! The top readers will then be treated to a "high tea" with Mrs Geller.

### Seatbelts

It has been noted that there are children being dropped off and picked up from school who are not being strapped into cars with their seatbelt or even in a car seat. It is a legal requirement to keep your child safe in a vehicle, so please do so.

Date: 12th June 2019 Issue 58

JUNE	
Sports awards evening	6-9pm
13th	New Sept RECP 'Parents evening' 6pm—7.30pm

8th	Y6 Day out—Cotswold Water Park
9th	SWR induction day
10th	SWR induction day

## Mrs Howard

Congratulations to Mrs Howard who gave birth to Thomas Paul Howard on 10th June at 6.25pm weighing 9lbs 1/4 oz. Both baby and mum are doing well.

## Reception

We are enjoying drawing pictures and shading them in. We are practising with pictures of Nailsworth landmarks including the clock tower. We are also learning the value of coins and how they add together. This has given us the idea of selling the artwork we will be exhibiting next month at St. Georges church.

## Year 1

This week, has been Phonics screening week in Year 1 and we are very proud of all the children's efforts. Well done Y1.

## Year 2

We have been practising our assembly. By Isobel.

Our assembly will be on Friday. By Jacob.

We have been writing diaries for the characters in 'Jack and the beanstalk'. By Mila.

## Year 3

This week, we have been learning about Earthquakes and what causes them. In the UK, we are unlikely to feel and earthquake because we are not on the boundary of any Tectonic plates.

## Year 4

In English, we have been writing stories about hedgehogs.

In Science, we have been learning about animals and whether they are mammals or reptiles.

We had a really fun day at Cattle Country yesterday, even with the rain.

## Year 5

On Monday, Miss Waterworth came in and gave us a taster of year 6. On Tuesday we went to FGR for the day to do 'Fitlearn' where we made our own vegan bean burgers.

In DT we have been sewing on our diseases.

By Holly and Amber.

## Year 6

This week, we've been practising our sketching skills by drawing animals and using appropriate sketch pencils. We've also started practising for our end of year performance and started our Forest school sessions with Mrs Wingfield.

## Race for life

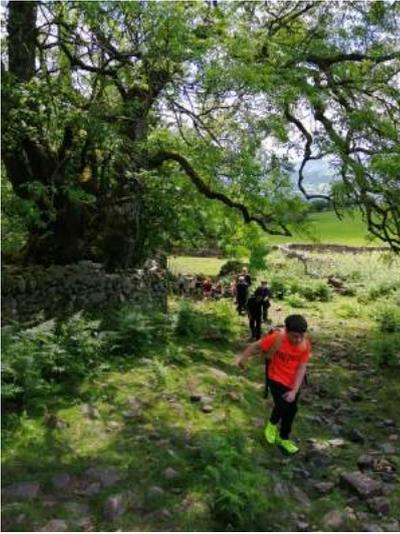

A huge well done to Aaron Thorpe in Y2 who completed the 5k Race for Life run on Sunday.

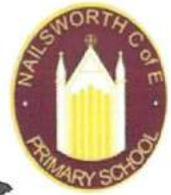

## Lost Property

Can un named lost property please be looked through before Friday, then it will be donated to charity or go into second hand uniform.
