News for the week

Open Morning
Last Thursday, we held our formal opening of the new school entrance and foyer. Visitors were able to enjoy a Pancake themed morning of fun and learning alongside the children. The choir performed on the new stage with a beautiful rendition of “sing like never before” and the school Drama club put on a short sketch from “Rock Bottom”. Activities in the classrooms ranged from Pancake Maths to Pancake P.E. Freshly - made pancakes made by the children were served to our guests.

One parent commented “the children obviously loved the learning going on in school this morning… and the Pancakes were the icing on the cake!”

Fairtrade
Y4 took part in Fairtrade Fortnight along side Co-op in Nailsworth. They designed Fairtrade posters informing customers about what Fairtrade is and why it is important to try and buy Fairtrade. All the posters were displayed in the Co-op with a voting box for customers to vote for their favourite posters. Winners were announced yesterday and the whole class received a cream egg each. Extra big congratulations go to Chloe 1st place, Toby 2nd place and Johanna 3rd place.

Reception
We were really lucky to have Tippi’s mum visit us on Tuesday. She used to work at Bristol Zoo so she had lots of photos and could answer our questions. We have been learning how to subtract single digit numbers and our number bonds to 10 in Maths. On Monday, we started making the seaweed circles for our huge jellyfish display. It was really sad to see all the plastic in the oceans. We made our seaweed circles out of plastic and bottle tops and talked about how we could stop the plastic getting into the seas.
