News for the week

Parent Survey
Thank you to all the parents and carers who completed our annual survey. We are in the process of collating your responses and will share the results with you soon...

Christmas Dinner
The all important Christmas lunch letters have gone out this week. It is important to return the order slip even if your child normally has a free school meal.

Nearly 500 meals will be cooked by our chefs on the day for Amberley and ourselves. This requires a lot of preparation prior to the day so we need your reply slips in by Monday 26th November 3.30pm deadline.

School Football
Congratulations and well done to Nailsworth mixed aged team who drew 2-2 with Eastington Primary on Monday. It was a great game played in good spirit by all.

Children in Need
It was lovely to see so many children dressed in their pyjamas, dressing gowns and slippers last Friday. We raised a staggering £356.90 for Children in Need, which was fantastic.

FGR
All the returned slips for next Tuesday nights game have gone back to FGR now, so they are processing the tickets which will be returned to us for distribution by Friday afternoon.

Y6 Bikeability
A reminder that Y6 have their Cycling Proficiency next week so will need their bikes in school all week from Monday morning. They can be left in school overnight and stored in the unused foyer area, which can be accessed through the hall.

Assembly Friday
This Friday during celebration assembly, we have our termly sharing of the fabulous work children have been doing this term. We hope many of you can join us. Certificates will be given out at 2.30pm in the GYM, and Continuous Provision will begin in the GYM at 2.45pm.

Triathlon
Year 3 & 4 Triathlon is next Wednesday 28th. Children need to come to school in swimwear with PE kit, trainers and tracksuit bottoms on with their school jumpers and coats. We will swim as normal and then do cycling and running back at school. Please make sure if possible that your child has a bike or scooter in school with a helmet on Wednesday. Parents are also welcome to watch: 9 am at Stratford Park swimming pool and from 10:50am at school for the running and cycling.

Menu
Please see the attached menu for Mondays choice change.
Reception

We have been looking at the Atlas Moth. We found it really interesting because it has markings on its wings that look like a Cobra to scare away animals. We loved playing in the snow this morning.

Year 1

This week we planted trees with Mrs Wingfield and Y6. It was great fun but very cold! Today we brought in our toys from home to help us write our own stories.

Year 2

We are planting trees this afternoon with Mrs Wingfield.
By Rhys.
We are writing about old toys. By Elsie.

Year 3

We have been learning about the Bronze Age this week. We've been comparing it to life nowadays and discussing if we wanted to live then or not.

Year 4

We have been making Roman Mosaics.
We are now making Christmas decorations for the Coventry Building Society window.
In Maths we have been working out the ‘Perimeter’ of shapes.
By Joe and Lachlan.

Year 5

We are planting trees today because of the million tree donation from the queen for her jubilee.
By Johann

Year 6

In spelling, we have been looking at the rule ‘I before E except after C’. In Ms Gellers English group we have been writing about weapons using a full range of punctuation. In Miss Waterworth’s group we have been looking at inverted commas. In Maths we have been looking at Algebra and decimals. We have finished our longboats and they look wonderful.
By Matilda and Izzy.

Lost property

Please can you look very carefully at any items of clothing which you have at home and double check names. There are many school jumpers which are not in lost property so may have been taken home accidently.
Also please keep looking through lost property to keep it under control.
While works are going on lost property is located in the Hall.
