Family Support

Before leaving Nailsworth in December, Fi Cooper worked closely with families to provide a network of support and information sharing in the community as our Family Support Worker. In order to ensure there is continued support for families and children at Nailsworth. Kim Ostle and Kate Bell will be taking on some extra responsibilities to work with our children and families.

As part of Kim and Kate’s role they will:

* Be on hand to talk with parents about any concerns they have or any support they may need. Kim will be available and ‘on the door’ each morning between 8:40 am-9:00am. Kate will be available at the end of each day 3:15-3:25pm.

* Administer our Nailsworth School parents Facebook page and be a point of contact via social media. Parents can communicate with Kim and Kate via the Facebook messaging service to seek information, advice or support.

* Work with particular children in school who need advice, support and strategies to develop their resilience, perseverance, independence and wellbeing.

We hope that you will find this provision useful. Please do get in contact with Kim or Kate for further information.

Reception

Yesterday, we made our first pizzas in the school kitchen. We followed a recipe. First we found all the ingredients we needed and made the pizza dough. Next, we chopped tomatoes, onions and garlic to make the sauce. After lunch, we rolled out the dough and put the sauce and cheese on it in the oven. It was delicious.
