It was a fantastic day and a real pleasure having fun in the woods along the way and learning about all the different trees and wildlife.

Have a look at the pictures overleaf.

It would be great to have all sponsor money in by next week so that we can share the total amount raised for CLIC Sargent.

HAPPY HOLIDAYS

We have been studying maps, drawing our walk to Woodchester mansion, thinking about what direction we travelled and what we passed on the way. This morning we looked at an OS map of the Stroud area. We know the green parts are trees or grass and tiny little squares are buildings.
