News for the week

FGR

Last Friday, we welcomed 21 of the Forest Green Rovers academy players into school. The children had a great time playing, reading, building and creating with them. The players joined them all for lunch and quite a bit of football was played too! More photos over the page.

Drama

Last week, saw the end of an era with Mrs Purchase’s final drama production of ‘Rock Bottom’. It was an absolutely hilarious show, and the children performed amazingly. We made £786.00 from ticket sales, so a huge thank you to those who supported the show. Thanks to PTFA for providing refreshments.

PTFA

Another thank you to the PTFA for the kind £100 donations to classes towards school trips, and the very generous £1000 donation towards the new family room being created off the new reception area. The next PTFA event will be the school FETE on 28th June. See you there!

CLIC Sargent

The next two big fund raising events are creeping up on us. The ‘Table Mountain’ walk in Wales on 6th June for KS2, then the KS1 ‘Woodchester Mansion’ walk will be on 24th June (details of this event will follow by the end of this week). Both walks are sponsored with funds going to CLIC Sargent, so please encourage children to get as many sponsors as they can.

SATS

Well done to Y2 who are completing their SATS this week. Next week, Y6 will be taking their SATS, beginning on Monday and finishing on Thursday. Breakfast will be available to those Y6 children who want an early start. They can join their friends for breakfast from 8am in the Hall.

Lunch days

We would like to collect feedback from parents about school dinners. The ideal opportunity for this is when we have a class out of school on a trip. So each time a class has a school trip we will invite all parents to order a school dinner to be eaten with the children at lunchtime. There will be a maximum of 30 parents for each class out, on a 1st come 1st served basis—payment of £3 will secure your place. Please order your meal with Cat in the office.

Date: 8th May 2019      Issue 54
Reception
This week, we have been learning about where some zoo animals come from. We have loved looking at maps of the world and seeing where tigers, penguins, hippos, giraffes and Galapagos tortoise live in the world. We are finding out whether they are herbivores or carnivores!

Year 1
This week we have had lots of fun with swimming! We have learnt ‘empty’ and ‘full’ in Maths and have also learnt about plurals in our English lesson.

Year 2
We have our new teacher in class, Mrs Marks. By Michael.
We enjoyed doing our wake and shake this morning. By Amber.

Year 3
This week we have been learning how to debate. Should we be allowed to wear what we want to school? Some convincing arguments were made, but school uniform stays!

Year 4
Yesterday we went on a school trip to Aerospace in Bristol. We got to go on Concord, it was really fun.
In Maths we have been rounding decimals and in English we’ve been learning about David Clarke. England’s record goal scorer in blind football, we have been learning how sound was so important to him in a game of football as he could not see.

Year 5
In English, we have been writing our own version of Georges Marvellous Medicine.
In Maths, we have been looking at angles.
We are looking forward to doing our assembly on Friday.

Year 6
This week we have been getting ready for SATS.
Last Friday we had the FGR academy players in our class. We had a good match at lunch time with the, and then in the afternoon we had PE with them, we played football again with them and it was so fun.
By Finley.

Positions available
We are looking for a Mid-day supervisor:
6.25 hrs per week
And a cleaner:
12.5hrs per week
For more information please ask in the office or email: admin@nailsworth.gloucs.sch.uk

Forest school
Mrs Wingfield has asked if anyone has any old/outgrown waterproof trousers, they would be very useful as spares for Forest school.

Clubs list
Please note the clubs list is attached with changes.
