

Times Table Rockstars

Times Table Rockstars is a fun and challenging programme designed to help children master the times tables up to 12x12. It is available as an app or online, just search for Times Table Rockstars or follow the link on this page. We have already had enthusiastic reports from children who have tried it so what are you waiting for?

How to log in

1. Click Login > School > Student
2. Enter the school name (we are registered as Nailsworth Church of England Primary School)
3. Enter your child's username and password.

Each child has a unique username and password. Their username is the first three letters of their first name, followed by the first three letters of their surname. For example, the username for Charlie Smith would be chasmi. Their password is three letters randomly assigned by TTR. If your child has forgotten their password, please get in touch with their teacher.

Modes of play

There are several single player and multiplayer modes which are explained below:

Single Player

Gig – You will see this mode instead of Garage from time to time (including when you log in for the first time). You have 5 minutes to answer 100 questions and do your best in this mode.

Garage - the questions will only come from the times tables the teacher has set for the week. It will include multiplication *and* division questions. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

Studio - the questions in the Studio can be anything from 1x1 up to 12x12.

TT Rock Stars calculates the average (mean) response time from their last 10 games in the Studio and translates that time into a Rock Status.

≤ 1 sec/qu = **Rock Hero**

≤ 2 secs/qu = **Rock Legend**

≤ 3 secs/qu = **Rock Star**

≤ 4 secs = **Headliner**

≤ 5 secs/qu = **Support Act**

≤ 6 secs/qu = **Breakthrough Artist**

≤ 7 secs/qu = **Unsigned Act**

≤ 8 secs/qu = **Gigger**

≤ 9 secs/qu = **Busker**

≤ 10 secs/qu = **Garage Rocker**

> 10 secs/qu = **Wannabe**

Players earn 1 coin per question and the Studio is the place for them to set their best time across all the tables. **If you don't play in the Studio you don't get a Rock Status.**

Soundcheck – When you play Soundcheck, you get 20 questions each with a 5-second time limit. The questions are multiplication only and evenly weighted in terms of difficulty each time you play. Players earn 5 coins per correct answer.

Multiplayer

Rock Arena - The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together). A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

Rock Festival - The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 1x1 to 12x12.

Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

Stats

If you click on your avatar icon in the top right of the screen and then click My Stats, a heatmap like the one below will load. It shows how successful your child is at each of the facts.

Tournaments

Watch this space for information about upcoming Battles between the bands (classes)!

We hope you enjoy playing, please let us know if you have any questions.
