Clubs list
Please find attached the new clubs list starting from after half term. Check carefully in case any clubs have changed day from this half term.
Reception
Reception class visited year 2 for their first worship.
We have been spending time with our buddies—it has been fun!
Yesterday Reception class completed their first Mile-a-day, we were very tired afterwards!

Year 1
We had lots of fun performing our very hungry caterpillar story to the whole school! This week we are very lucky to have a visitor to come and see us all the way from America! She is an author and she is going to read her brand new book to us!

Year 2
We have come to the end of our sandwich topic. Today we will make the most popular sandwiches in the school, after we surveyed all pupils in school on Monday. Dave will taste our creations and we will decide which sandwiches will be our 3rd dinner option next term!

Also a name forgotten from the Cross Country two weeks ago, was Rafia. Well done to Rafia for taking part too.

Year 3
In Maths, we have been using the column method to solve addition and subtraction questions. In English, we are learning about how to use speech marks in our writing. On Tuesday, our class governor Dane Vince visited us during an ‘Active English’ lesson in the gym. On Friday, we are going to meet a man called Howard who has a guide dog. We are very excited and we already have lots of questions for him!

Year 4
This week, we have been researching what the Shared Universe Foundation do and making information posters. In Maths, we have been practising 4 digit by 4 digit addition. We hope Miss Jackson has a great time on her trip.

Year 5
Last Thursday, we went to Winchcombe. We all dressed up in WW2 costume and we got on a steam train and were evacuated for the day. We went into an air raid shelter. All the seats began vibrating and wobbling. We pretended to be firefighters by squirting water out of a tube which we had to pump.
We ate our packed lunch on the train and had to hunt out a German Spy. We all had a great day and really enjoyed learning about WW2. By Chloe.

Year 6
This week, we have been learning about simplifying and ordering fractions in Maths and in English we have been writing a non-chronological report. We completed a science experiment and we have continued sketching Anglo-Saxon weapons.

FGR
Please see the attached letter from Forest Green Rovers, celebrating their 130th birthday.
Also on Tuesday evening the 29th October the under 18’s will be playing Helston Athletic at home in their FA cup final. Under 18’s go FREE and adults are just £4.00.
We are looking forward to the academy players joining us in school on Friday too.

A New Offering at The Museum in the Park

This year the Museum in the Park will be open in December so school visits can continue until the end of term (the annual closure for deep cleaning and conservation will now take place in early January). To celebrate this change we are offering a new day programme for your classes in Years 2 to 6:

KS2
The Ghost of Christmas Past will take a look at the history of the Victorian Christmas. In the morning children will:
- explore the history of the Victorian Christmas &
- learn songs with theatre practitioner and choir leader Elle Holliday

Then in the afternoon they will listen to and accompany a dramatic reading of Charles Dickens’ A Christmas Carol (in a condensed but faithful version).

KS1
Winter Warmers will look at what Christmas was like for children in previous generations.
In the morning children will:
- explore a variety of Christmas games and entertainment including pantomime
- learn songs with theatre practitioner and choir leader Elle Holliday

Then in the afternoon they will listen to and accompany a dramatic reading of Jack & the Beanstalk.

This programme is designed for a maximum group size of about 30 and costs only £4 per child (accompanying adults free of charge).

In addition to days at the museum, this programme will also be available in an Outreach version to schools in and around Stroud.

Introduction to Storytelling Schools with Chris Smith PhD

Wed 6th November 2019, 4pm-6pm at The Museum on the Park, Stroud.
For teachers & teaching assistants.
£20 per person including tea, coffee and cake.

In a Storytelling School all children become storytellers. Learning to tell stories from memory is an inspiring, engaging and inclusive way to acquire language and discover topic content. The Storytelling Schools approach integrates oracy, creativity and literacy into a whole school approach to learning.

This twilight training is designed as an introduction to the Storytelling Schools method. We will introduce you to the overall elements of the system: teaching storytelling, deepening, shared writing, recycling and creation, and how it all fits together. Suitable for teachers, head teachers and teaching assistants.

The training will be led by Dr Chris Smith, Director and co-founder of Storytelling Schools. The session will be an immersive, interactive introduction to the Storytelling Schools method and participants will:

- Learn how to teach a story to their class using playful and engaging methodology and deepen the story in the class’s imagination
- Understand how to use the key Storytelling Schools tools: mood map, plot matrix and boxing for story understanding and development
- Understand how to link storytelling goals to story-writing goals
- Learn how to implement the Storytelling Schools approach across the school’s literacy planning.

The Storytelling Schools approach can be explored in the accompanying publications, Storytelling Schools Handbook for Teachers and 147 Traditional Stories for Primary School Children to Retell. These titles will be available to purchase at a discounted price on the day.

For more information see www.storytellingschools.com

......and on 26th March 2020 the Museum will also be hosting a teachers’ day conference on

STORYTELLING FOR LITERACY, ORACY AND CREATIVITY
