Safe Parking

Can we ask that if you are park on the road outside school, to keep the area around our lollypop crossing clear. Parking very close to the crossing makes it very hard for cars to pass and for Mandy to see safely. Can we also remind you that the car park has a clock wise one way system. Please park in the defined places as stopping elsewhere causes congestion. Many thanks.

New Head post

As you may be aware, Mr Southcott is retiring in April next year. Governors have been making arrangements in relation to the appointment process for a new Head teacher. The post has been advertised on the Gloucestershire County Council website and the closing date for applications is the 11 October. Interviews will be held on the 7/8 November. I will, of course, update you all on the outcome.

Many thanks
Gill Saville
Chair of Governors

Harvest

We are collecting tinned, dried foods and bottles for harvest. Please bring in your donations to the office for the foodbank.
Reception
We have learnt two new sounds they are m and d.
In letters and sounds we are blending words.
We’re starting to add 2 groups of objects together.

Year 1
This week Year 1 have been practicing their Cursive handwriting! We can now very nearly write all our letters in cursive!

Year 2
On our continuing, bread making, journey through time we have reached 1666 on the time-line. We couldn’t get to this point without finding out about the Great Fire of London. Which of course started in Thomas Farrier’s bakery in Pudding lane. We know they’re not really breads, but we couldn’t resist making the very cakes which supposedly started the fire. We are adding this to our recipe book, which will be available to purchase at the end of term!

Year 3
We are writing stories from the perspective of a guide dog. This afternoon we are looking forward to a visit from an osteopath who is going to bring in a life size skeleton! In Maths, we are crossing the tens boundary with addition and subtraction.

Year 4
In English we finished our Africa animals fact files. We are now writing letters to Mr Southcott to persuade him to let us go to the zoo!
In Maths, we have been counting in 25’s and practising our times tables.

Year 5
This week in year 5 we have been writing diary entries in our APP books. In Maths, we have been counting up and down in degrees.

Year 6
This week we’ve began planning the building of our own Viking Long ships in DT. We’ve revisited division in Maths and writing a diary entry in English. We enjoyed going on the new climbing frame in the gym for PE yesterday.

Parking Monday 7th Oct
Please be aware that on Monday our new neighbours to the school will be moving in so there will be two large removal lorries parked up most of the day. This will make access even more chaotic so please just be cautious.

We’d also just like to say ‘Thank you’ for your continued patience during the roof works, we are hoping the roof work will be finish next week, then the windows fitted at half term.

After school clubs
It has been brought to our attention that some children attending clubs do not really wish to attend. If your child has a strong dislike to attend a club, then please don’t force them to go. It is not fair on your child or other children or the teacher who is giving up their time to run the club for children who actually have an active interest. If childcare is an issue then please book your child into Jigsaw instead. If we have continue upset from children then we will contact you to collect your child from after school clubs.

Aldi stickers—help win us a new sports kit & £20k
We have received a large number of stickers, but we still have a fare way to go given that we have to fill both sides of the poster, so keep on spending those pennies and collecting stickers.
