**Aldi stickers**
We have done it! We have completed our poster, so a massive well done and thank you to all for spending your money at Aldi. We will now send off our completed poster to receive new sports kit for school, then we will be entered into a prize draw with the chance to win £20k for school. Watch this space and fingers crossed!

**Football**
Congratulations to the school football teams who played in very wet and muddy conditions on Monday at the Stroud District schools competition. Year 5&6 came 4th in their group stage and Year 3&4 came 2nd and were runners up in the challenge cup competition. A special well done to Harry Hudd who was top scorer with 5 goals!

**Plaques**
Year 5 went to the Nailsworth archives this week, to meet Mike the archivist responsible for putting up the blue plaques in Nailsworth. You may have noticed these on some older cottages. They are placed on the houses of World War One soldiers who lost their lives in battle. Mike shared information about each soldier with the children including photographs and ranks. The whole class found it fascinating and shared stories about their own ancestors’ involvement in both World Wars. Palko and Jess demonstrated their knowledge of World War One aircraft.

Year 5 are planning to compile all this information into fact files and construct a map showing the location of all the blue plaques in Nailsworth. They will exhibit this information in St Georges Church ready for Remembrance Day.

**PTFA - AGM**
The annual general meeting will be taking place next Thursday 24th Oct at 3.30pm at school, all parents are welcome to go along and attend.

A letter with more details will be coming home today so look out for it.
Reception

We all tried to copy a sentence into our writing books.

We made a human number line from 0-30.

Yesterday we did a half mile walk around the field, This was 2 laps.

Year 1

This week, we have been practising for our worship on Friday and we are very excited to show you. We have been learning to read and spell our tricky words.

Year 2

Seydo and Julia brought in bread which they made at home. It was yummy! Dave from the kitchen has been in to see (and sample) our baking and we are about to start making the sandwich choices ready to have for our school dinners.

Year 3

We finally finished our Guide Dog stories about what it must be like to be a Guide Dog. We are looking forward to meeting a real guide dog soon.

In Maths, we have been learning about column method and how to apply it.

Year 4

This week we have been doing 4 digit + 4 digits in Maths. We have also been writing fact files about ourselves and our town. Miss Jackson is going to take them to South Africa and share them with the local school children.

Year 5

In year 5 we have been doing some tests this week.

In English, we have been writing about WW2.

In Maths, we have been learning about line graphs, it has been fun. We are looking forward to our Evacuation day tomorrow and will tell you all about it next week.

Year 6

This week, Year 6 have started to build their longship in DT using cardboard strips. They will now start their paper mache to make it sturdy. In writing, they have began to publish their work using the Viking runes (the Viking alphabet). This idea was inspired by Max’s homework. In maths, we are consolidating reasoning and learning how to answer tricky questions.

Below are some photos of our Fiver Fest trip last week to town.
