News for this week

Date: 29th January 2020 Issue 82

Indoor football

Congratulations to the mixed indoor football team who came 4th in the district competition last Thursday, narrowly missing out on 3rd place after penalties. Well done!

Guide dogs

Year 3 raised £143.10 for the Guide Dog Association for the Blind last Friday at their cake and pompom sale. Thank you for all your support!

Drum lessons

A big apology from Eddie who was very unwell on Monday so could not come into teach. He'll be back on Monday as usual.

PE kits

Can we please remind you that children need their PE kits in school every week.

Lunchboxes

We have noticed that there are a number of children trying to throw their sandwiches away at lunch times and swapping lunch box contents. No food is allowed to be thrown away in school.

This is so that parents can what their children have eaten or not eaten when they get home.

We would encourage you to talk to your child about what they like or dislike so they are actually eating their lunch in school.

Can we also remind you that there should be no fizzy drinks in drinks bottles and no chocolate bars or chocolate milkshakes in lunchboxes either.

Perseverance

Noah Dinter in Y6 began challenging himself to complete the Rubix cube about a month ago. He has persevered and can now complete it in 1 minute 36 seconds. This has caused real interest in school with a number of children wanting to give it a go. Jigsaw have kindly offered to purchase 10 cubes if children would like to go along to Jigsaw and practice.

DIARY DATES

JANUARY 2020

30th Piano lessons
31st Celebration assembly 2.45pm led by Y3
PTFA treat Friday 3.15pm

FEBRUARY

17th—21st Half Term
24th First day of term 4
27th RAGS to RICHES collection
28th Reading workshop 2-3pm

Sarah update

Lots of you are kindly asking after Sarah. Cat visited her on Friday afternoon and she's in good spirits. Her operation was a success so she is now at home recovering well. We sent her flowers from everyone at school and she was thrilled to receive them.

Reception

We had a great trip to the Fire station this morning. On Monday, we made junk model emergency service vehicles.

In PE, we have been learning to climb on a frame, ropes and ladders.

Year 2

Our bee topic is buzzing along nicely. We have been painting scenes with bees in water-colour paints and, finding out facts about how bees make honey. Now we have a challenge to find a way of making a bee using a cardboard tube and anything else children decide on. We will be writing instructions before construction starts!

Year 4

This week, we have started to write a newspaper report based on our class book 'The Creakers'. It is all about parents going missing and it's up to one brave girl to save them! It is a very exciting book!

Year 6

This week we've been learning how to calculate area and perimeter of regular and irregular shapes. In English, we've been writing a story based on Phillip Petit. On Monday, we did a 'slack line' with Mrs Wingfield to re-enact the tightrope walk. It was loads of fun!

Year 1

This week, year 1 have been writing their own versions of Room on the Broom and learning how different colours can show warm and cold.

We are also getting ready to sort out our outside area on February 15th. We would be very grateful if you could help us out—even for an hour! Please speak to Miss Baker or Cat if you think you could help us. Thank you to those who have already offered to help, too.

Year 3

In RE, we learnt about Daniel in the lion's den. We wrote the story in our own words. In Maths, we have enjoyed using equipment to help us divide large 2 digit numbers. We are continuing to read 'The Enchanted Wood' and we are looking forward to our assembly on Friday. Thank you again for your support of our cake sale; we raised £143.10.

Year 5

In Maths, we have been adding and subtracting decimals. In English, we have been learning about speech. In History, we have made a tower that has facts on about New York.

We have been inspired to paint modern Art.

CALLING ALL PARENTS

WHEN

**Saturday 15th February, 2020
9am - 3pm**

WHERE

**Year 1
Outside Area**

WHAT TO BRING: spades • sledge hammers • gloves • wheel barrows • secateurs forks
paint brushes•

CAN YOU HELP?

We would like help to renovate the outside area ready for our new canopy.

We would like to dig out some old edging, remove the old playhouse, paint the shed and dig out the roots by the fence.

Can you spare an hour or two?

Please let Cat know if you can help out.

BRING A MUG

We will provide tea, coffee and cake.
