## News for this week

Date: 1st April 2020 Issue 90

### Hello Everybody!

Another week has passed and we hope that you are all enjoying your time together. We are trying new things here in school and enjoying making friends with children in other years that we wouldn't really get to play with.

We have had some photos of work that children have done at home. Here is George's amazing family

tree that he has worked really hard on and James' beautiful

egg entry. Don't forget to send in pictures of your decorated eggs by Friday.

### Reception/ Year 1

In Reception we have been working on our number bonds to 10.

We have created a rainbow fish in the afternoons.

Today we are making a Neil Armstrong egg design, using pebbles, paint and junk modelling materials.

### Year 2/3/4

This week in Year 2,3 and 4 we have been writing stories about a boy and his dog based on a dog food advert. Miss Jackson has been blown away with our writing. We also have been designing and prepping our eggs for the Easter Egg competition. We have chosen to do some really interesting characters and we hope that our designs will be chosen to win. In PE, we have been doing lots of dancing and trampolining; it has really lifted our spirits. We have also been working on a secret birthday mission and dropped it off at the person's house! We created cards and clay models to give as gifts. We are really looking forward to doing some Forest School with Mrs Wingfield tomorrow and Friday too!

### Year 5/6

Year 5 and 6 have had a fun week so far! We have been keeping fit, by doing Joe Wicks every other day and trampolining in the gym with Mrs Wingfield. We have been getting creative too. On Monday we baked cakes, we've done Aboriginal Art using cotton buds and today we are making our Easter egg entries.

### Work Packs

Work packs will be available to collect from the foyer in school from this afternoon for Easter. Please drop off any work that has been completed and make sure it is named. Keep hold of the folder that the work was in and replace with the new work (swap it over, basically).

### Free school meals

A reminder that those children who are entitled to free school meals can have their free lunch every day Monday to Friday. Just call the office by 9.30am on the day to make lunch choices and then collect lunch at 12.15pm from the kitchen window.
