## News for this week

Date: 9th Sept 2020 Issue 102

### Welcome back

It is such a pleasure to have all children back in school. They have settled into new routines beautifully and are obviously pleased to see their friends again. Learning has started straight away and both children and teachers are working hard to make up for lost time. We have ensured that we have given plenty of time to support wellbeing in each class over the last few days and this will continue to be addressed.

A huge "Nailsworth School Welcome" goes to all our new children. We have 29 Reception children this year. They have amazed us with their smooth transition into school-Mrs. Prouse, Miss Bell and Mrs. Hall are delighted! They have made a start on learning phonics and are reading at home every night. Well done, Reception class! We would also like to welcome Laurie in Year 6 and Thomas in Year 1. We are very happy to have you here.

### Jigsaur

Breakfast and after school club are running as normal. Please fill in forms with your requirements. Please also remember to cancel any bookings you don't need so you don't get charged. Liz Blick will now be invoicing a month ahead instead of a month behind.

### School start times

Over the last two days we have had a number of children on site on their own at 8.25am. The school policy has always been that no children are to be left unattended in the playground or anywhere outside on the school premises before 8.40am. There are no staff on duty to watch these children if an accident were to occur. If your child is walking to school, please ensure they arrive from 8.40am onwards. Jigsaur is available if needed for children who need to be dropped early.

Finally, we are grateful to all those adults who are supporting us in the changes we have had to make to drop off and pick up time to ensure that this is as smooth as possible.

### Music Lessons

Our music teachers are thrilled to have started face to face teaching again this week. Guitar lessons will commence next Wednesday. Please let the office know if your child is interested in learning a musical instrument. All information is available on our school website.

### Thank you

A huge thank you to Angela, Ezree's grandma, for her kind donation of a keyboard,...it will get plenty of use!

### PE

Just a reminder that on PE days children should wear their PE kit into school. They can wear joggers over shorts if the weather is chilly and wear school jumpers. PE days are listed above and Reception will begin PE on 8th October.

### School lunches

Please can all new reception parent apply for Free school meals if you have not already done so.

Just a reminder to parents that lunches are charged from year 3 upwards. Passwords have been sent out to the new Y3 class so that accounts can be set up and kept in credit. Lunches are now charged at £2.35 per day. This term's menus are attached. ## Reception

We have enjoyed starting school this week. We are learning the letter S, its sound and finding things which begin with this letter. We have been forming letters using different resources such as sand and playdough.

## Year 2

We have had a great start in year 2!

On Monday we made fire of London cakes. By Lailah-Mae.

They tasted delicious. By Samuel.

We have been writing about how to make fire of London cakes for Ms Geller.

## Year 4

It is absolutely amazing to be in year 4. Our new topic is Herbs and Remedy's. We went out into the nature garden to look for herbs. We are looking forward to finishing our tests. By Michael & Samuel.

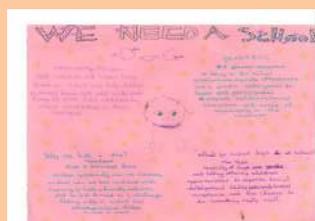

## Year 6

This week we have started learning about the Vikings. We started to make Viking long boats with a 3D sail. We made Viking helmets and stuck them on pictures of ourselves,. They're now on our Year 6 door!

Yesterday, we had PE and played Netball. By Milly.

## Beau

Thank you to all KS2 children that produced posters about Beau over the lockdown period. We have put some on display in the main reception area.

## Year 1

We are settling back into school amazingly! We have been working on finding out how good we still are at reading and writing and starting our Zoo topic by learning about all the animals we might see there.

## Year 3

This week, we have started our topic of Ancient Egypt. We have read our new English story called 'The Egyptian Cinderella'.

Year 3 is really fun and I love seeing all my friends. By Layla.

## Year 5

This week, we have been learning about World War II. On Monday we went into the DT room and saw some interesting artefacts. It is really nice to be back with all our friends. By Jules.

## Value Badges

I would like to nominate Chloe Benjamin for a **perseverance** badge. I asked her to sort out the values badges for me at the end of term. She took them home over the summer holidays and arranged them in beautiful rainbow-coloured folders. Thank you, Chloe. From Ms Geller.

Please can I do a **generosity** badge for Dotty May as she took her golden time toys into school last week and her friend didn't have any toys to play with so Dot shared hers when they got them out.

I would like to give a **respect** badge to Ruby May as throughout the lockdown she has been very dedicated to helping us look after and protect her Nan who lives with us at home. She has calmly helped us take all the necessary precautions in order to do our best to prevent Nan getting coronavirus. She has fully respected Nan's older age and vulnerability throughout the worrying time.

At the beginning of the holidays Finlay fell into some metal steps and really hurt his face and bent his front teeth inwards- he had to be rushed to hospital and then to an emergency dentist. I think he showed real **courage** when he was at the hospital by letting the doctors and dentist look at his teeth and touch them (without crying or causing a fuss) when I know it was hurting a lot and he was quite scared.
